

The Goals of St. Timothy Preschool

St. Timothy Preschool will provide a nurturing atmosphere where children can grow academically, spiritually, physically and emotionally by:

-  Teaching children through a Catholic foundation of bible stories, scripture and prayer that God loves them and listens to them.
-  Instilling in children that we are called to serve one another through Service Learning.
-  Providing an atmosphere where hands on learning and experiential learning are foundations.
-  Introducing children to a variety of literature, music, art, science, technology, and academic activities.
-  Providing children opportunities to further develop fine and gross motor skills through play and planned activities.
-  Teaching appropriate peer interactions and self-control through sharing, good manners and cooperation.
-  Instilling in the children a sense of self-worth and self-confidence.
